

Interaction Documentation

Player - Aisle Icon

Player clicks on aisle to navigate to its scene

Click aisle icon → switch scenes

Player - NPC

Player walks up to NPC to interact. Dialogue

starts and player is presented with 3 options. Player can:

Buy → buys item, deducts from budget

Haggle → starts haggle minigame, increases aggression

Leave → leaves aisle

4th option appears upon 1st failed haggle

Favor → reduces NPC's aggression

If aggression hits 3, player is forced to buy item.

Player - Boss

Player walks to boss to interact. Dialogue starts and boss fight begins. Player has 3 options:

Attack → Deal damage

Defend → Take reduced damage from boss

Outmaneuver → Deal big damage with 20% chance to fail and do no damage
